Dear Dr. Potter:

Please accept my words of gratitude and appreciation for the outstanding presentation of Handel's "Messiah" on November 28. I had been looking forward with great anticipation to this presentation and I was not disappointed. One could tell that the participants had done a lot of hard work in preparing for this program. I would say "Well done" to all persons who had a part in the presentation. Many, many thanks to all of you. It was such an inspirational program!

Most Cordially,

Jimmy Breland
