

STUDENT EVALUATION OF ADVISOR

Comments for Adam Potter

- Dr. Potter is an excellent advisor and one of the reasons I love Roberts! I would not be here if it was not for him! He is a fantastic human, teacher, and musician!
- Dr. Potter is an excellent advisor and teacher. Always has a positive attitude and is always willing to help students in any way he possibly can. He has been an intricate and vital part of planning my education and helping me achieve my goals both personally and academically. I am strongly in favor that he receives this promotion. I feel that he deserves it and has gone above and beyond what it expected of a professor at this educational establishment
